Bingo

Make Party Time!

Bing

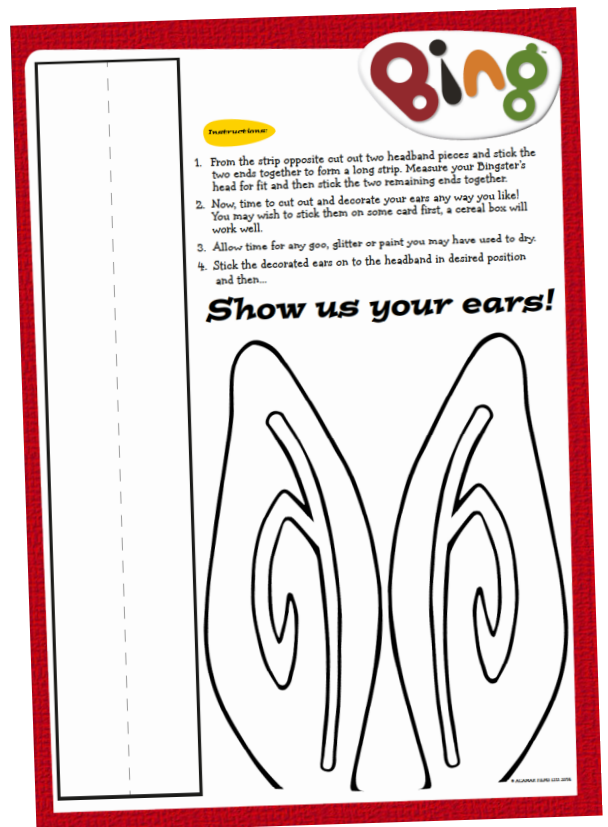

Ideas for your

Bing Party!

Party food & drink

Bing LOVES yummy delicious carrotty bagels and smoothies! You can find out how to make them on our website bingbunny.com (or click on the image above).

Ears

Your Bingster and their friends can make Bing and Sula's ears to wear at the party! To see how to make them, go to our website bingbunny.com (or click on the image above).

Ideas for your

Bing Party!

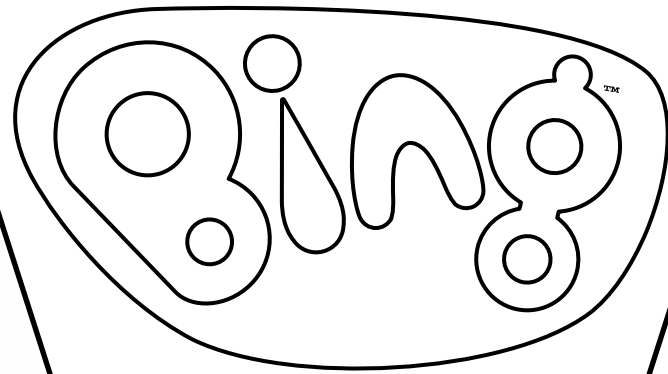

Balloons

Balloons are a great way to decorate for a party – and how about using special Bing colours? You could try red, green, yellow and black – not forgetting orange, Bing's favourite colour! For extra fun, Bingsters can add decorations to their balloons with felt tip pens and stickers.

Games

Time for a game of Musical Statues! Here's how to play:

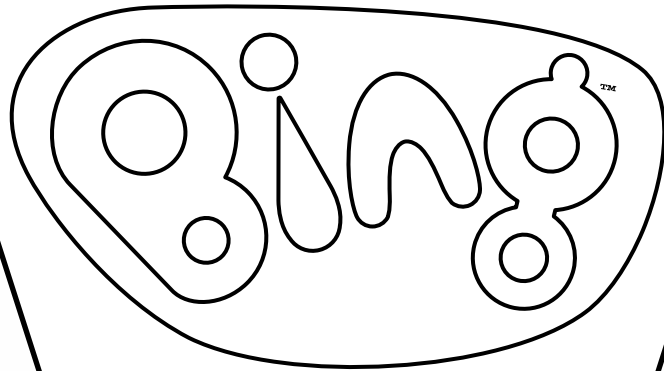

- Choose someone to be the first wobble watcher (perhaps a grown-up?) Everyone else is a statue.
- Play music for the statues to dance to.
- When the music stops, all the statues stand statue still.
- The statues must try not to wobble... even a teeny, tiny bit...
- When the wobble-watcher spots a wobbling statue, that statue becomes a wobble-watcher too!
- Keep playing until there's only one statue left – they're the winner!

Bing Bunting

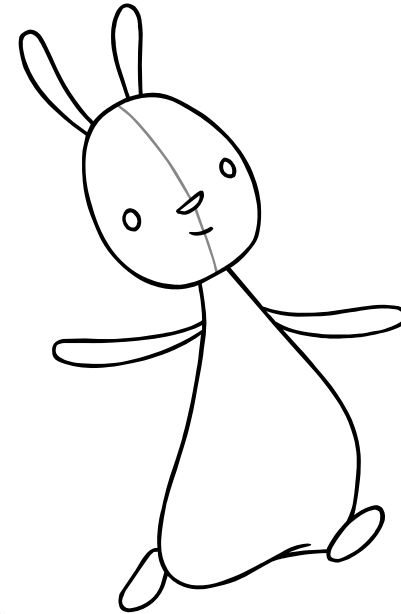

No Bing party would be complete without your very own Bing bunting! Here's what you'll need:

- Our template
- Scissors
- String
- Glue
- Pens, pencils, paints, stickers... and all the things your Bingsters love to decorate with!

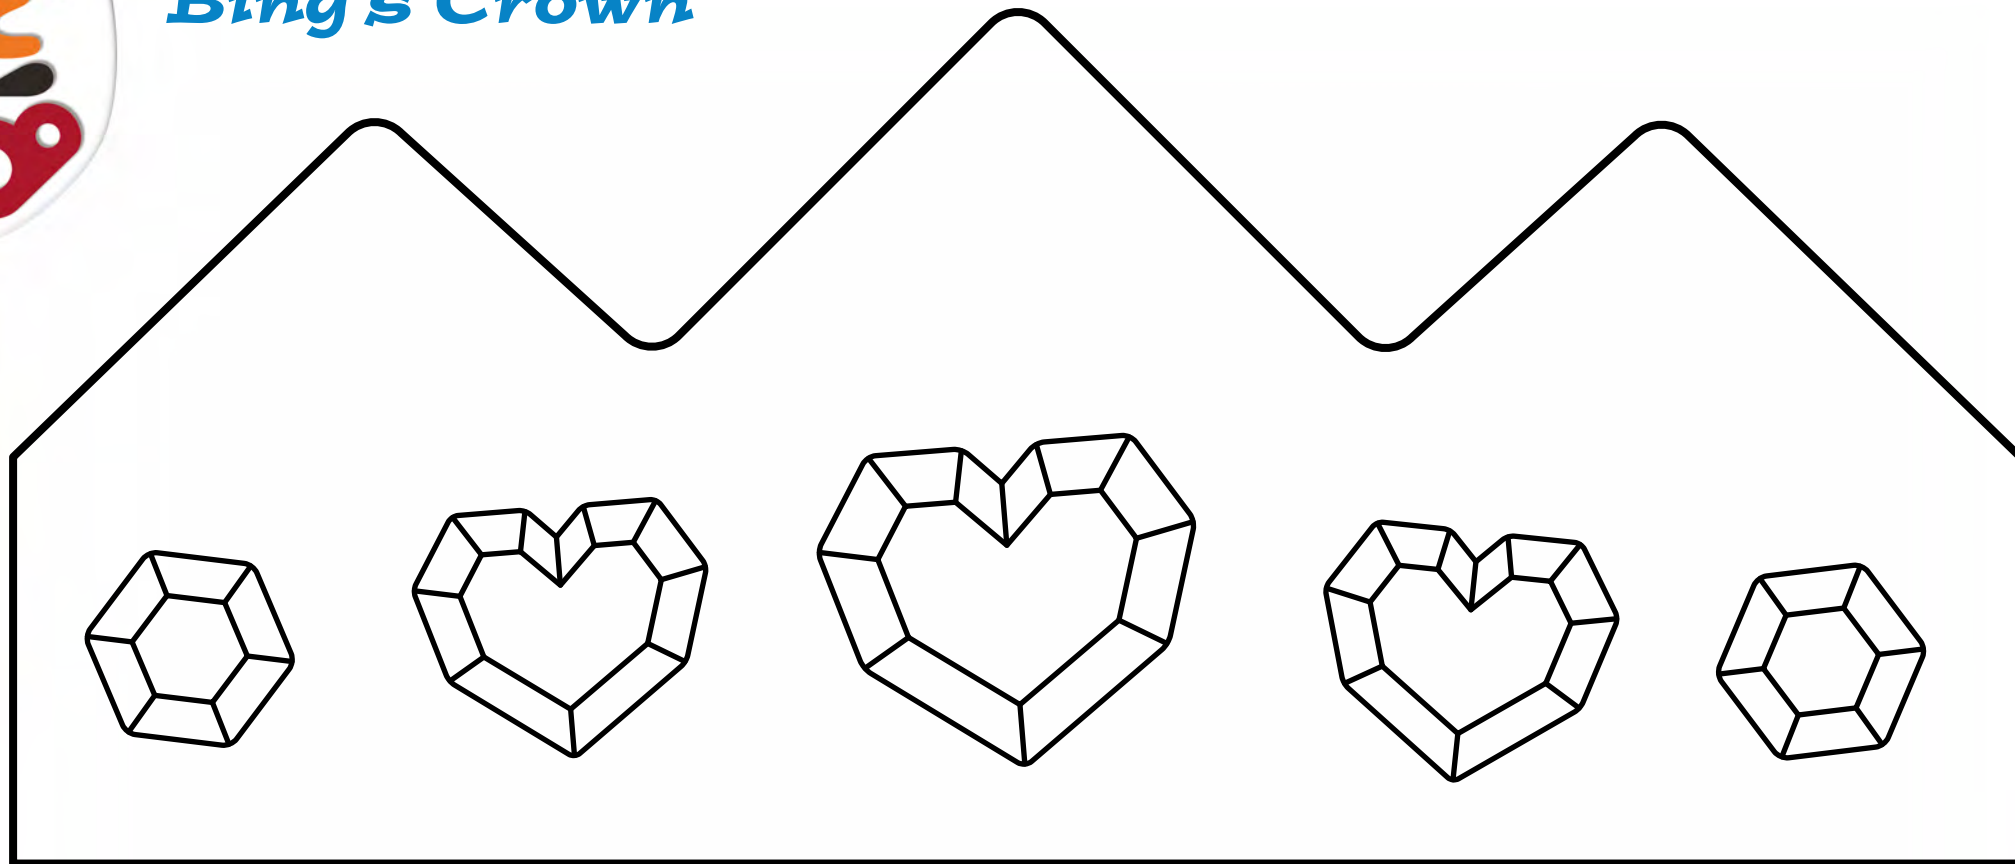

Here's how to make your bunting:

1. Using the template provided, cut out the bunting following the dotted lines.
2. Your Bingster and their friends can now get colouring, gluing and decorating their bunting – the brighter and messier the better!
3. Once it's all decorated, fold the bunting shapes along the black lines.
4. Get your string into position, folding the bunting pieces over the string and securing in place with some glue.
5. Continue these steps until you have all the bunting you need!
6. Your bunting will look great hung all around your party room – don't forget to send us photos when you've finished!

Bing's Crown

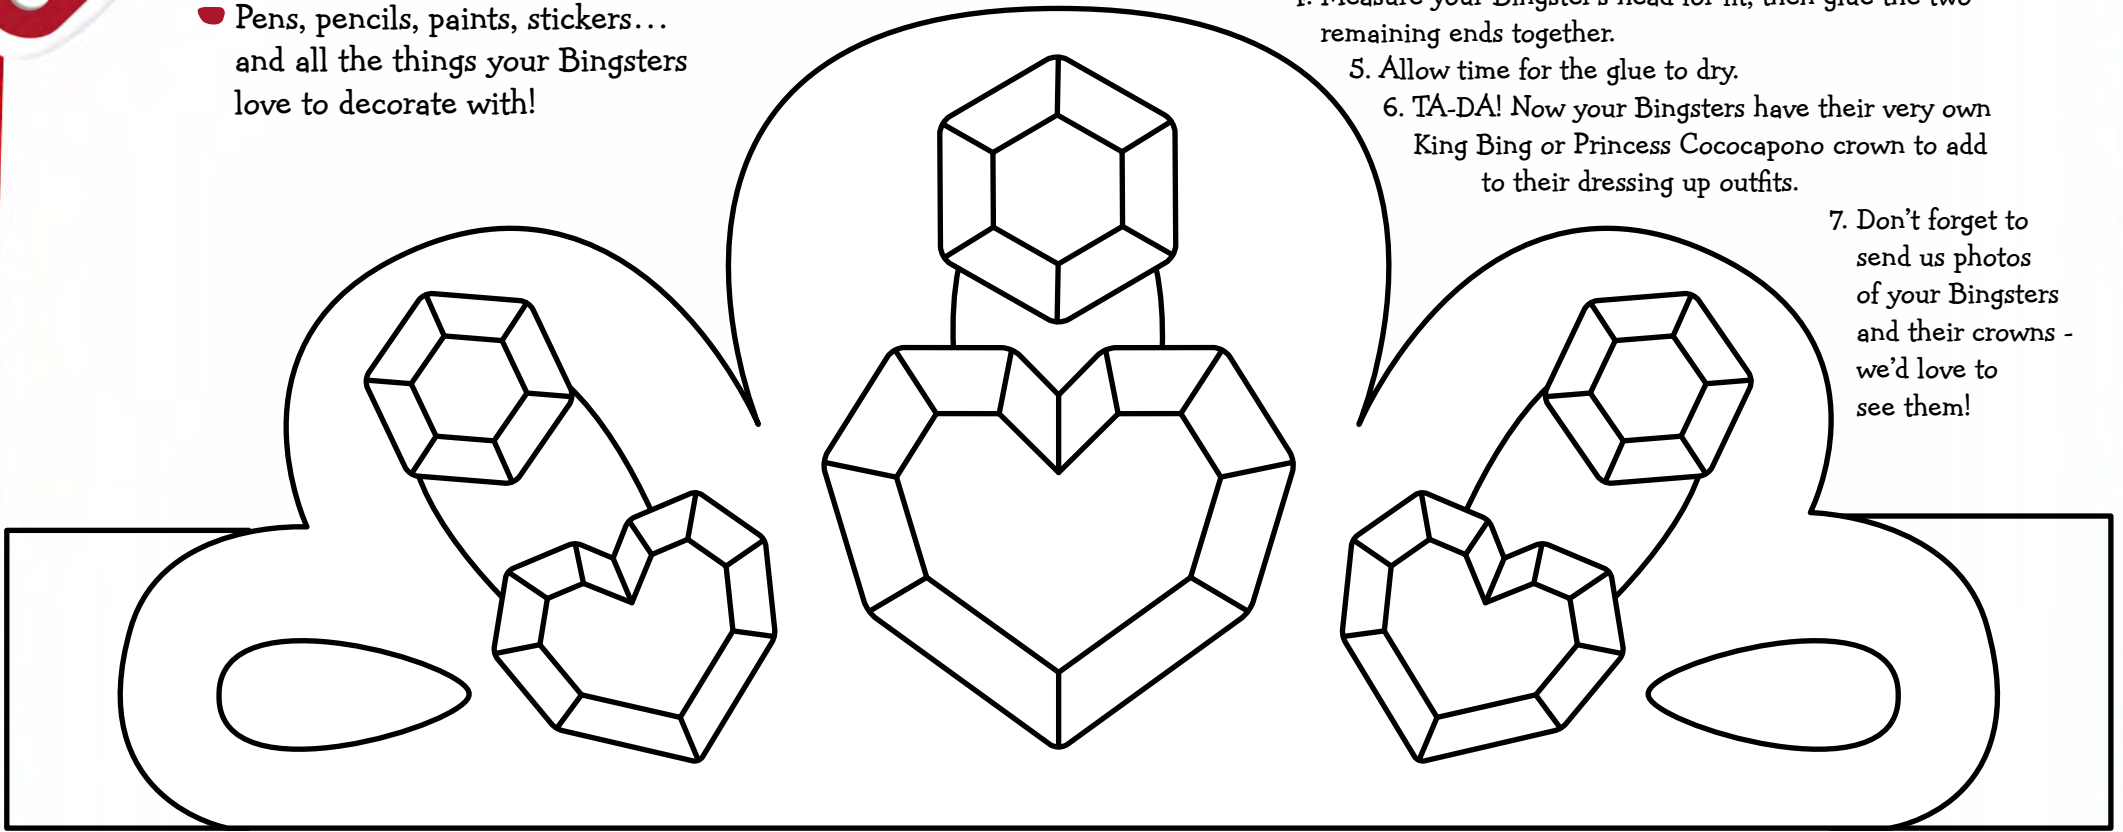

Have some dressing up fun at your Bing party by making King Bing and Princess Cococapono's crowns!
Here's what you'll need:

- Our template
- String
- Scissors
- Glue
- Pens, pencils, paints, stickers...
and all the things your Bingsters love to decorate with!

Here's how to make your crowns:

1. Using the templates provided, cut out the crowns and headband pieces, following the dotted lines.
2. Now it's time for your Bingsters to get decorating – woo hoo!
3. Once they're finished, stick one end of the headpiece to one end of the crown using a little bit of glue.
4. Measure your Bingster's head for fit, then glue the two remaining ends together.
5. Allow time for the glue to dry.
6. TA-DA! Now your Bingsters have their very own King Bing or Princess Cococapono crown to add to their dressing up outfits.
7. Don't forget to send us photos of your Bingsters and their crowns - we'd love to see them!

Thank you cards!

Say thank you to all your special Bingster friends for coming to your party, with a Bing thank you card!
